**Authority:** Section 217 of the Consolidated Appropriations Act of 2004 (Pub L. 108-199). This law is found at 42 U.S.C. 653(j). This law authorizes HHS to disclose to the Department of Housing and Urban Development (HUD) information in the NDNH portion of the “Location and Collection System of Records” for the purposes of verifying employment and income of individuals participating in specified programs and, after removal of personal identifiers, to conduct analyses of the employment and income reporting of these individuals. Information may be disclosed by the Secretary of HUD to a private owner, a management agent, and a contract administrator in the administration of rental housing assistance.

Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992 and section 3003 of the Omnibus Budget Reconciliation Act of 1993. This law requires you to sign a consent form authorizing: (1) HUD and the PHA to request wage and unemployment compensation claim information from the state agency responsible for keeping that information; and (2) HUD, O/A, and the PHA responsible for determining eligibility to verify salary and wage information pertinent to the applicant’s or participant’s eligibility or level of benefits; (3) HUD to request certain tax return information from the U.S. Social Security Administration (SSA) and the U.S. Internal Revenue Service (IRS).

**Purpose:** In signing this consent form, you are authorizing HUD, the above-named O/A, and the PHA to request income information from the government agencies listed on the form. HUD, the O/A, and the PHA need this information to verify your household’s income to ensure that you are eligible for assisted housing benefits and that these benefits are set at the correct level. HUD, the O/A, and the PHA may participate in computer matching programs with these sources to verify your eligibility and level of benefits. This form also authorizes HUD, the O/A, and the PHA to seek wage, new hire (W-4), and unemployment claim information from current or former employers to verify information obtained through computer matching.

**Uses of Information to be Obtained:** HUD is required to protect the income information it obtains in accordance with the Privacy Act of 1974, 5 U.S.C. 552a. The O/A and the PHA is also required to protect the income information it obtains in accordance with any applicable State privacy law. After receiving the information covered by this notice of consent, HUD, the O/A, and the PHA may inform you that your eligibility for, or level of, assistance is uncertain and needs to be verified and nothing else. HUD, O/A, and PHA employees may be subject to penalties for unauthorized disclosures or improper uses of the income information that is obtained based on the consent form.

**Who Must Sign the Consent Form:** Each member of your household who is at least 18 years of age and each family head, spouse or co-head, regardless of age, must sign the consent form at the initial certification and at each recertification. Additional signatures must be obtained from new adult members when they join the household or when members of the household become 18 years of age.

**Failure to Sign Consent Form:** Your failure to sign the consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the owner must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the owner or managing agent must follow the procedures set out in the lease.

**Consent:** I consent to allow HUD, the CIA, or the PHA to request and obtain income information from the federal and state agencies listed on the back of this form for the purpose of verifying my eligibility and level of benefits under HUD’s assisted housing programs.

Authority for Requiring Applicant’s/Tenant’s Consent to the Release of Information
Section 904 of the Stewart B. McKinney Homeless Assistance Amendments Act of 1988, as amended by section 903 of the Housing and Community Development Act of 1992. This law is found at 42 U.S.C. 3544.
In part, this law requires you to sign a consent form authorizing the Owner to request current or previous employers to verify salary and wage information pertinent to your eligibility or level of benefits.
In addition, HUD regulations (24 CFR 5.659, Family Information and Verification) require as a condition of receiving housing assistance that you must sign a HUD-approved release and consent authorizing any depository or private source of income to furnish such information that is necessary in determining your eligibility or level of benefits. This includes information that you have provided which will affect the amount of rent you pay. The information includes income and assets, such as salary, welfare benefits, and interest earned on savings accounts. They also include certain adjustments to your income, such as the allowances for dependents and for households whose heads or spouses are elderly handicapped, or disabled; and allowances for child care expenses, medical expenses, and handicap assistance expenses.
### Failure to Sign the Consent Form

Failure to sign any required consent form may result in the denial of assistance or termination of assisted housing benefits. If an applicant is denied assistance for this reason, the O/A must follow the notification procedures in Handbook 4350.3 Rev. 1. If a tenant is denied assistance for this reason, the O/A must follow the procedures set out in the lease.

#### Conditions

No action can be taken to terminate, deny, suspend or reduce the assistance your household receives based on information obtained about you under this consent until the O/A has independently 1) verified the information you have provided with respect to your eligibility and level of benefits and 2) with respect to income (including both earned and unearned income), the O/A has verified whether you actually have (or had) access to such income for your own use, and verified the period or periods when, or with respect to which you actually received such income, wages, or benefits.

A photocopy of the signed consent may be used to request the information authorized by your signature on the individual consent forms. This would occur if the O/A does not have another individual verification consent with an original signature and the O/A is required to send out another request for verification (for example, the third party fails to respond). If this happens, the O/A may attach a photocopy of this consent to a photocopy of the individual verification form that you sign. To avoid the use of photocopies, the O/A and the individual may agree to sign more than one consent for each type of verification that is needed. The O/A shall inform you, or a third party which you designate, of the findings made on the basis of information verified under this consent and shall give you an opportunity to contest such findings in accordance with Handbook 4350.3 Rev. 1.

The O/A must provide you with information obtained under this consent in accordance with State privacy laws.

If a member of the household who is required to sign the consent forms is unable to sign the required forms on time, due to extenuating circumstances, the O/A may document the file as to the reason for the delay and the specific plans to obtain the proper signature as soon as possible.

#### Penalties for Misusing this Consent:

HUD, the O/A, and any PHA (or any employee of HUD, the O/A, or the PHA) may be subject to penalties for unauthorized disclosures or improper uses of information collected based on the consent form.

Use of the information collected based on the form HUD 9887-A is restricted to the purposes cited on the form HUD 9887-A. Any applicant or tenant affected by negligent disclosure of information may bring civil action for damages, and seek other relief, as may be appropriate, against the officer or employee of HUD, the O/A or the PHA responsible for the unauthorized disclosure or improper use.
